Furever & Ever Program: Planning for Your Pet

Are you concerned about what might happen to your pets in the event that you predecease them? We know that it is not always possible to make private arrangements with family members or friends to care for your pets. You may designate through your will or trust that your animals be entrusted to the care of NC SPCA. Nassau County SPCA **Furever & Ever Program** ensures your pet will be in our care, safe and loved, while we work to find them a new loving home. The program is available to the pets of individuals who have chosen to make a charitable bequest to Nassau County SPCA.
